Article 14 - Management Rights

14.1 It is understood and agreed that the District retains all of its powers and authority to direct, manage, and control to the full extent of the law. Included in, but not limited to those duties and powers, are the exclusive rights to: determine its organization; direct the work of its employees; determine the times and hours of operation; determine the kinds and levels of service to be provided and the methods and means of providing them; establish educational policies, goals, and objectives; insure the rights and education opportunities of students; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of District operation; determine the curriculum; build, move, or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; lawfully contract out work; and take action on any matter in the event of an emergency. In addition, the Board of Education retains the right to hire, classify, assign, evaluate, promote, terminate, and discipline employees.

14.2 The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the District, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with law.

14.3 The exercise of the rights contained in this Management Rights Clause are specifically excluded from the jurisdiction of an arbitrator's review or determination.
